

WARM GREETINGS!

As we approach the end of another year, I want to take a moment to send my heartfelt wishes of Love and Peace to you and your cherished ones. It's astonishing how time flies, and I find myself reflecting on the past months with immense gratitude for having such wonderful people in my life.

Though this year presented its challenges, it also brought forth two remarkable achievements:

1. Launch of Our Community Kitchen:

We provide meals to approximately 100 mothers and children in our village.

2. Welcome Pastor Teo and His Family to Our Team:

Pastor Teo will be conducting Sunday services starting in January.

THANK YOU for partnering with us, your YES is making a huge difference by bringing hope and transformation in the lives of many families and their children. We could not have done it without you.

As we approach the holiday season, my deepest wish is that your Christmas will be filled with blessings and that the New Year ahead will overflow with peace, joy, prosperity, wisdom, and wonder.

Would you kindly consider making an end-of-year, tax-deductible contribution to help us continue our mission and make an even greater impact in the coming year?

With heartfelt thanks and warm regards,

Maria Lopez
