

April 2023

HAPPY EASTER EVERYONE!!!

Hope this note will find you well. My prayers continue to be with you and your families.

Here is a highlight on what is happening here at the village. I have been busy teaching the Samaritan's Purse 12-week discipleship class. Forty children went through the 12 lessons and will graduate from the program. We learn that God hears our prayers for you and our families and has witnessed answers to many of them.

Here is Dulce's heartwarming story as we get ready to celebrate Easter:

Dulce is 11 years old. She came to our class when one of her neighbors invited her. Dulce looked sad most of the time, shy, not very engaged or attentive, and did participate in class activities. During one of our classes, I asked her how she was doing, and that's when she told me that her mom and dad had gone to "the north," meaning they crossed the border into the US and that her parents left her with the neighbor. Her and her two brothers live without her parents or other adults.

In the class, she learned that Jesus cares and loves her and that He is watching over her. She believed and shared with the class that she does not feel lonely or scared!!!

Thanks to you, our beloved donors, I can share the love and the care of God with these little ones. Please keep praying for laborers for the harvest is ready.

BTW, for easy and convenient giving please go to www.bridge2thenations.com go to the donations tab and press the PayPal button or you can also send a check to Bridge To The Nations, P.O. Box 92108, Pasadena, CA 91109.

Many Blessings,

Maria E. Lopez Duran, Founder
